

AGALMA has been producing Cinema, Theater, Exhibitions and Seminars for over 15 years. We believe in passionate works with amazing and urgent stories that can transform the world.

Producer of the features “Desire Machine” (2021): EDT Editing Award and Honorable Mention at the 26th It’s All True Festival, Audience Award for Best Feature Film at the 29th Mix Brasil; “Nature Music” (2022) Best Documentary in Los Angeles Festival. Official Selection at the Vision du Reel and 14th San Francisco Latino Film Festival.

Exhibition “100 Modern Years” at Museum of Image and Sound of São Paulo (2022).

In 2011 Agalma released a series of 9 short films, edited by Renato Vallone (editor of Cinema Novo awarded with de Golden Eye in Cannes Festival - 2016), filmed in the backlands of Bahia and Ceará.

In 2012. Agalma released the 1st National Indigenous Film Festival with the UN for Rio+20 (United Nations Conference on Sustainable Development). The Festival lasted for two months with free screenings for public school students, followed by debates with indigenous filmmakers from all over Brazil.
